EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Fichter on 3/28/2006.

The application has been amended as follows:

IN THE CLAIMS:

Cancel claims 1-15, 17-21, 24 and 25.

Claim 16, line 1, delete, "and preventing", after "suffering" insert, ---from---, line 2, delete "individual a" and insert, ---individual suffering from senile dementia a ---, line 3, delete, "the preparation as claimed in claim 1" and insert, ---a medicinal preparation containing phenylethanoid glycosides extracted from *Cistanche tubulosa* (Schenk.) *Wight*, said preparation comprising 10-70% of echinacoside by weight of said preparation, and 1-40 % of acteoside by weight of said preparation.----

Claim 23, line 2, delete, "Cistance" and insert, ---*Cistanche*---

The following is an examiner's statement of reasons for allowance: nowhere in the art of record can a method of treating an individual suffering from senile dementia using the extract from *Cistanche tubulosa* be found. The art of record neither anticipates nor renders obvious the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
